What people say about Blue Mountains Weddings

Hi there! We are a local couple from the Blue Mountains, with a shared passion to assist with bringing your dreams to life resulting in a truly unforgettable wedding day.

We started Blue Mountains Picnics in August 2020 initially just doing picnics, however in April 2021 we helped our very first couple, Sheryl & Nathan tie the knot at a small intimate elopement.

This was the catalyst to launch our all inclusive elopement packages that have proven extremely popular. Off the back of this success, we're grateful to have secured exclusive use of the renowned Leuralla Amphitheatre which has enabled us to move into full scale weddings and launch Blue Mountains Weddings in early 2023.

Whether it's a serene elopement for just the two of you, or a grand celebration with 200 guests, we'll ensure your day unfolds as smoothly as a fairytale, just as you've always imagined.

Your special day is special to us too and you can take comfort in knowing you're in safe hands. We put our heart and soul into our business because it's more than just our livelihood, it's an honour to play a part in such a significant moment in your life.

We are *Award Winning*

We have exclusive use of the iconic *Leuralla Amphitheatre*

The jewel of our weddings is the famous Leuralla Amphitheatre, a gem nestled in the heart of the Blue Mountains. The prime location offers unparalleled views of the enchanting Jamison Valley, the same valley as the world-renowned Three Sisters.

Very limited venues provide a front row seat to this majestic valley and none can claim a setting as spectacular as the amphitheatre. This cements Leuralla Amphitheatre's position as the undisputed premier wedding venue in the Blue Mountains.

Resting on private land, and not open to the public, you can enjoy your special day without any interruptions or uninvited eyes. Despite this exclusivity, you're still in the vibrant epicenter of Leura, surrounded by ample accommodation, diverse activities and a plethora of restaurants and food options.

If your dream is to tie the knot at this breathtaking venue, only through us can this dream become reality.

As seen on the Amazing Race 2021 and also with Sophie Monk on the Bachelorette in 2017

Stress-Free & Seamless Wet Weather Options

The beauty of Leuralla lies in its breathtaking natural surroundings, but that also means Mother Nature has the final say. While we can't control the weather, we can ensure your wedding day remains perfect—rain or shine.

We have arrangements with select venues to provide beautiful indoor alternatives in case of bad weather. Our team seamlessly coordinates everything behind the scenes, ensuring a smooth transition so you don't have to stress for a second.

For Micro Wedding and Deluxe Wedding packages, this service is included at no extra cost. If you've booked an Elopement, you need to cover the venue hire which is typically 500 + GST. DIY Weddings do not include this service so we recommend planning accordingly.

With our expert team handling everything, you can relax and focus on what truly matters—celebrating your love, rain or shine.
